

# EMBROIDERY

Is the process of forming a design or logo with thread using needlework. Designs can vary in size and location on the garment. Typical logo placement has been left chest, but other areas are available – sleeves, back yoke, shoulder area, etc.

LET US HELP WITH YOUR NEXT EMBROIDERY PROJECT.

Whether you need 1 shirt or 1,000+ shirts, we are here to assist. Our experienced team will ensure your customer receives exactly what they expect.
